Firstly, I would like to introduce myself. My name is James Harding and I am the Head Coach of Caunton Tennis Club. We may well have been into the Nursery before to deliver taster tennis coaching sessions.

As we are the biggest tennis club within the surrounding area of Newark and offer coaching for all ages every day of the week, we feel that a strong Nursery to club link is very important and we want to give an opportunity to all children within Nurseries to take part in tennis and join mini coaching if they so wish. There has never been a better time for tennis and getting more children into the sport.

We would really like to be considered by your Nursery for providing tennis lessons in the Nursery setting. Our coaches will not only deliver a high-quality tennis session but also do multi skills within the session to help develop children's Agility, Balance and Coordination. We have experience in working with large groups. We provide all equipment for either indoor or outdoor sessions and this is included in our coaching fees.

All our coaches are fully LTA Licensed and Accredited with insurance and have Full enhanced DBS clearance with First Aid qualifications. LTA coaches are some of the highest qualified throughout the sporting world and go through regular training to keep their licence. Our coaches also receive regular safeguarding training and coach mentoring.

As a club, we have 9 floodlit courts and can offer all children excellent coaching to develop their tennis. We also host the Newark and Sherwood School Tennis festivals which your school may have attended in the past.

We have a great outreach programme and are currently delivering coaching weekly in several Nurseries around the area.

I look forward to hearing from you as to whether there is any opportunity for us to come into the nursery and deliver coaching sessions. We are always happy to offer a free trial session. Please email [lisa@tennis4all.org.uk](mailto:lisa@tennis4all.org.uk) or call 07555 783085 if you would like to discuss this with us.

Kind regards

James Harding
